Welche Getränke werden in einem typischen Restaurant in Kampala angeboten?

Natürlich Kaffee und Tee: Uganda ist ein geschätzter Produktionsort für Kaffee und Tee. Natürlich gibt es ganz verschiedene Zubereitungsarten. African Coffee ist ein starker schwarzer Kaffee mit Milch.

Es gibt auch Softdrinks und alkoholische Getränke. Auch mehrere in Uganda hergestellte Biere. Wein ist immer importiert – obwohl es eine zaghafte ugandische Weinproduktion gibt. Ugandischen Wein findet man nie auf Speisekarten.

10'000 UGX (ugandische Schillinge) sind rund 2 Schweizer Franken (Stand 2026).
