Kampala und seine Schwesterstadt Entebbe dehnen sich über unzählige Hügel aus. Zwar gibt es Innenstädte, aber ebenso haben sich Quartiere zu eigenständigen Subzentren entwickelt.

Am Hang des Makindye-Hügels befindet sich das **Pangolin Nest Boutique Hotel** mit nur wenigen Zimmern an sehr ruhiger Lage. Der Blick geht hinüber zur Innenstadt Kampalas.

Das Pangolin hat eine kleine, aber ausgewählte Speisekarte. Wie in allen Restaurants in Uganda werden auch lokale Speisen angeboten. Pizza wird von aussen angeliefert.

Preiseinschätzung:  
eher teuer

10'000 UGX  
(ugandische Schillinge) sind rund 2 Schweizer Franken (Stand 2026).
